

DIPLOMA OF INFORMATION & COMMUNICATION TECHNOLOGY

Develop an understanding of how information technology is embedded in society and explore its wide ranging role both in its physical form and as a communication process.

The Diploma of Information and Communication Technology is designed for students interested in studying a Bachelor of Science at Murdoch University, with a choice of major in the following:

- Business Information Systems
- Computer Science
- Cyber Forensics and Information Security*
- Games Software Design and Production
- Games Technology
- Internetworking and Network Security*
- Mobile and Web Application Development

*Majors requiring additional units to be taken at Murdoch University.

This diploma provides an introduction to computer software, hardware, processes, information systems and programming languages as they are being used today and developed for the future. The skills and knowledge gained throughout the diploma can be applied in a huge variety of sectors providing support, direction and inspiration to both small and large organisations. Upon successful completion of this diploma program students will qualify for direct entry into the second year of a range of Murdoch University Bachelor of Science degrees.
