

# MURDOCH UNIVERSITY PREPARATION COURSE

CRICOS Course Code: 069100D

The Murdoch University Preparation Course (MUPC) prepares students for successful transition to degree-level study, providing a pathway to the first year of study of a bachelor degree at Murdoch University. With three intakes per year and a variety of units, you can choose the duration that works best for you. At MIT, you get to experience life on Murdoch University campus while you transition into study.

## WHY STUDY A MURDOCH UNIVERSITY PREPARATION COURSE?

- Successful completion of the Murdoch University Preparation Course will provide students with direct entry into first year of their chosen Bachelor degree at Murdoch University.
- Students receive individual guidance and support to achieve their personal and academic goals.
- Articulation available to all undergraduate degrees at Murdoch University, with the exception of a Bachelor of Veterinary Science, which can be accessed through a Bachelor of Animal Science.
- Options are available to fast track the MUPC and complete it in one trimester or take more time and complete over two trimesters.
- Flexibility to start at any one of the three different intake dates every year.

## STRUCTURE

## PATHWAY
